

## Split System Ground Mounted

German Tech Solar Hot water system even works on cloudy days

<b>Model: Split System Ground Mounted</b>	<b>FPC340-2D</b>
Storage Capacity (L)	340
Option 1 - Collectors (FPC)	2 collectors
Option 2 - Evacuated tubes*	25 or 30 tubes
Tank Dimensions (mm)	648 x 1711
Tank Weight - empty / full (kg)	102 / 442
Collector Dimensions (mm) / weight	2,000 x 1,000 / 38 kg.
Booster Element Rating (kW)	3.6
STC (Zone 1, 2, 3, 4)	25, 28, 24, 21
<b>270lt and 450lt also available</b>	<b>FPC270-2D, FPC450-2D</b>
Specifications & models may change without notice <b>E&amp;OE</b>	

### Features

- ✓ Vitreous enamel tank - **7 year warranty**
- ✓ Solar collectors - 6 bar rating - **7 year warranty**
- ✓ Designed for Australian conditions
- ✓ Solar collectors or Evacuated tubes - both thermally enhanced
- ✓ \*Evacuated tubes are ideal for frost areas (see Model TZ315E-30R-315L for details)
- ✓ **Alanod Mirotherm®\*\*** high absorbing glass
  - \*\*Highly selective blue coating for rapid heating and minimal heat loss
- ✓ Toughened glass to resist impacts
- ✓ Ultra-Sonic welding - faster heating - reduces heat loss
- ✓ Grundfos pump, element, thermostat, controller - **2 year warranty**
- ✓ Valve Kit & Brassware Included - **1 year warranty**

**Made by the world's Largest Solar Hot Water Manufacturer**
